

Opening in New Space

On May 6, 2010, the Barbara Gross Galerie will open in a new space at Theresienstrasse 56, Hof 1, Munich, 80333, across Museum Brandhorst.

The gallery is moving from Thierschplatz to a courtyard in Theresienstrasse. Here, a large exhibition space and showroom that retains a touch of the old storefront atmosphere is created. The setting offers new potential and ideas for installations, as well as for the presentation of larger works and video projections.

We are very pleased with the changes relating to the new space in the Museum Quarter, in the immediate vicinity of Munich's art collections and many other galleries.

On Thursday, May 6, at 6 p.m., the gallery will open with a group show featuring **Alicia Framis, Carlos Garaicoa, Katharina Grosse, Beate Gütschow, Sabine Hornig, Olav Christopher Jenssen, Michaela Melián, Norbert Prangenberg, Karin Sander, Kiki Smith, Jana Sterbak, Tobias Yves Zintel.**

2010 Program

On June 8, 2010, we will show a new installation by **Silvia Bächli**, which was created in continuance of her work for the Swiss Pavilion at the 2009 Venice Biennial.

For OPEN ART in September 2010 we will open a show with Cuban artist **Carlos Garaicoa**. It will be his first exhibition in Germany. Shows featuring works by **Beate Gütschow** and **Katharina Grosse** will follow.

We are looking forward to welcoming you at the new space.

Barbara Gross, Andreas Hellwig, Sophia von Künsberg
